Size matters, even for Scotland's furry fans.

Before ordering, please measure your dog from the **base of the neck to the base of the tail** and choose the closest size from the chart. Do not guess based on breed alone, because dogs clearly did not agree to standard sizing.

If your dog is between two sizes, we recommend choosing the **larger size** for a more comfortable fit, especially if they are fluffy, broad-chested, or built like they've been training for extra time.

The t-shirt should sit comfortably without pulling, twisting, or restricting movement. Your dog should be able to walk, sit, stretch, and celebrate a Scotland goal without looking offended.
